Take your marriage from average to awesome in 100 days! Create the spiritual, emotional and physical closeness that you've been hungering for! Identify the roadblocks that keep you from experiencing exciting and satisfying intimate moments with your spouse. Intimacy doesn't need

to be illusive! Its time to recognize intimacy for what it is—a loving and life-long process that requires commitment and practice. Realize that God is a true romantic and He definitely is interested in this issue. From Scripture, personal experience and research, Doug Weiss offers a 100-day practical plan that will energize your relationship and create a spiritual, emotional and physical closeness that you have hungered for in your marriage. You'll identify destructive emotional roadblocks the enemy uses to keep you from experiencing wild, abandoned, intimate moments with God and your spouse. Develop a marathon mentality for your relationship and take the next 100 days to fall in love all over again. Inside this book you'll discover: Three stages of sexuality How sexual history creates doubt The importance of owning sin Why to set boundaries in marital dating How to discuss your sexual desires How the internet threatens intimacy What to do with sexual addictions Practical steps to letting go of childhood traumas The healthiest gift you can give to your children

George Orwell's *Nineteen Eighty-Four* is unquestionably the most famous dystopian novel of all times. Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

An engaging exploration of what it means to be asexual in a world that's obsessed with sexual attraction, and what the ace perspective can teach all of us about desire and identity. What exactly is sexual attraction and what is it like to go through life not experiencing it? What does asexuality reveal about gender roles, about romance and consent, and the pressures of society? This accessible examination of asexuality shows that the issues that aces face—confusion around sexual activity, the intersection of sexuality and identity, navigating different needs in relationships—are the same conflicts that nearly all of us will experience. Through a blend of reporting, cultural criticism, and memoir, Ace addresses the misconceptions around the "A" of LGBTQIA and invites everyone to rethink pleasure and intimacy. Journalist Angela Chen creates her path to understanding her own asexuality with the perspectives of a diverse group of asexual people. Vulnerable and honest, these stories include a woman who had blood tests done because she was convinced that "not wanting sex" was a sign of serious illness, and a man who grew up in a religious household and did everything "right," only to realize after marriage that his experience of sexuality had never been the same as that of others. Disabled aces, aces of color, gender-nonconforming aces, and aces who both do and don't want romantic relationships all share their experiences navigating a society in which a lack of sexual attraction is considered abnormal. Chen's careful cultural analysis explores how societal norms limit understanding of sex and relationships and celebrates the breadth of sexuality and queerness.
