A landmark biography of the most famous Italian journalist of the twentieth century, an inspiring and often controversial woman who defied the codes of reportage. Oriana Fallaci is known for her uncompromising vision. To retrace Fallaci's life is to retrace the course of history from World War II to 9/11. As a child, Fallaci enlisted in the Italian Resistance alongside her father, and her hatred of fascism and authoritarian regimes remained strong throughout her life. Covering the entertainment industry early in her career, she created an original, abrasive interview style, focusing on her subjects' emotions, contradictions, and facial expressions more than their words. When she grew bored with movie stars and directors, she turned her attention to the international political figures of the time—Khomeini, Gaddafi, Indira Gandhi, Kissinger—always placing herself front and center in the story. Also a war reporter working wherever there was conflict, she would provoke controversies that became news themselves. With unprecedented access to personal records, Cristina De Stefano brings to life this remarkable woman whose groundbreaking work and torrid love affairs are not easily forgotten. Oriana Fallaci allows a new generation to discover her story and witness the passionate, unstinting journalism so urgently needed in these times of upheaval and uncertainty.

So what is a bullet journal? It's a planner, to-do list and diary that will help you get your life together! This fun, practical guide shows you how to start and keep a bullet journal: a single notebook in which you write down all the things that you want to remember, or need to do, or you've already done – from every aspect of your life: work, home, relationships and hobbies. With colourful illustrations and easy tips to get you started, early adopter Rachel Wilkerson Miller explains how to make a bullet journal work for you – whether you want to create something simple or elaborate. Ideas for content include: - Lists of your to-dos and to-don'ts - Symbols that will make your lists efficient and effective - Calendars to plan your day, week, month or year - Trackers for your habits and goals (think health, money, travel) - Stationery

such as washi tape, book darts and more! The phenomenon that is bullet journaling has led to thousands of journalers sharing their work on Pinterest, Instagram and Facebook. In *How To Bullet Plan*, BuzzFeed editor Rachel Wilkerson Miller tells you everything you need to know to start your own.

Mumbai is a city that thrives on extravagant spectacles and larger-than-life characters. But as Chopra is about to discover, even in the city of dreams, there is no guarantee of a happy ending. Rising star and incorrigible playboy Vikram Verma has disappeared, leaving his latest film in jeopardy. Hired by Verma's formidable mother to find him, Inspector Chopra and his sidekick, baby elephant Ganesha, embark on a journey deep into the world's most flamboyant movie industry. As they uncover feuding stars, failed investments and death threats, it seems that many people have a motive for wanting Verma out of the picture. And yet, as Chopra has long suspected, in Bollywood the truth is often stranger than fiction. . .
