Open: An Autobiography by Andre Agassi. Synopsis: "From Andre Agassi, one of the most beloved athletes in history and one of the most gifted men ever to step onto a tennis court, a beautiful, haunting autobiography. Agassi brings a near-photographic memory to every pivotal match and every relationship.

Book notes: Open by Andre Agassi – Marlo Yonocruz

Far more than a superb memoir about the highest levels of professional tennis, Open is the engrossing story of a remarkable life. Andre Agassi had his life mapped out for him before he left the crib. Groomed to be a tennis champion by his moody and demanding father, by the age of twenty-two Agassi had won the first of his eight grand slams and achieved wealth, celebrity, and the game's highest honors.

Open an autobiography. Coaxed to swing a racket while still in the crib, forced to hit hundreds of balls a day while still in grade school, Agassi resented the constant pressure even as he drove himself to become a prodigy, an inner conflict that would define him.

A candid memoir by the tennis champion includes coverage of his Grand Slam wins, establishment of a charitable foundation for underprivileged children and marriage to Stefanie Graf. Reprint. A #1 best-seller and New York Times Notable Book.

#1 NATIONAL BESTSELLER Far more than a superb memoir about the highest levels of professional tennis, Open is the engrossing story of a remarkable life. Andre Agassi had his life mapped out for him before he left the crib. Groomed to be a tennis champion by his moody and demanding father, by the age of twenty-two Agassi had won the first of his eight grand slams and achieved wealth, celebrity, and the game's highest honors. But as he reveals in this searching autobiography, off the court he was often unhappy and confused, unfulfilled by his great achievements in a sport he had come to resent. Agassi writes candidly about his early success and his uncomfortable relationship with fame, his marriage to Brooke Shields, his growing interest in philanthropy, and—described in haunting, point-by-point detail—the highs and lows of his celebrated career.

He is one of the most beloved athletes in history and one of the most gifted men ever to step onto a tennis court - but from early childhood Andre Agassi hated the game. Coaxed to swing a racket while still in the crib, forced to hit hundreds of balls a day while still in grade school, Agassi resented the constant pressure even as he drove himself to become a prodigy, an inner conflict that would define him. Now, in his beautiful, haunting autobiography, Agassi tells the story of a life framed by such conflicts. Agassi makes us feel his panic as an undersized seven-year-old in Las Vegas, practicing all day under the obsessive gaze of his violent father. We see him at thirteen, banished to a Florida tennis camp. Lonely, scared, a ninth-grade dropout, he rebels in ways that will soon make him a 1980s icon. By the time he turns pro at sixteen, his new look promises to change tennis forever, as does his lightning fast return. And yet, despite his raw talent, he struggles early on. We feel his confusion as he loses to the world's best, his greater confusion as he starts to win. After stumbling in three Grand Slam finals, Agassi shocks the world, and himself, by capturing the 1992 Wimbledon. Overnight he becomes a fan favorite and a media target. Agassi brings a near-photographic memory to every pivotal match, and every public relationship. Alongside vivid portraits of rivals, Agassi gives unstinting accounts of his brief time with Barbra Streisand and his doomed marriage to Brooke Shields. He reveals the depression that shatters his confidence, and the mistake that nearly costs him everything. Finally, he recounts his spectacular resurrection and his march to become the oldest man ever ranked number one. In clear, taut prose, Agassi evokes his loyal brother, his wise coach, his gentle trainer, all the people who help him regain his balance and find love at last with Stefanie Graf. With its breakneck tempo and raw candor, Open will be read and cherished for years. A treat for ardent fans, it will also captivate readers who know nothing about tennis. Like Agassi's

game, it sets a new standard for grace, style, speed and power.

He is one of the most beloved athletes in history and one of the most gifted men ever to step onto a tennis court – but from early childhood Andre Agassi hated the game.

'a quietly impressive book, which does something most celebrity autobiographies shy away from: it seeks the truth and, more often than not, finds it.' - THE MAIL A look at the life and times of the man Sir Michael most looked up to. It started in the shadow of the pithead in a South Yorkshire mining village and ended up in tears before an audience of millions. Michael Parkinson's relationship with his late father John William was, and remains, a family love story overflowing with tenderness and tall tales of sporting valour, usually involving Yorkshire cricket or Barnsley FC. However, it was the overwhelming grief which poured out of Michael when Piers Morgan pressed him about John William in a television interview - four decades after the death of the father he encapsulated as 'Yorkshireman, miner, humorist and fast bowler' - that convinced one of the outstanding broadcasters and journalists of our time to delve deeper into the dynamics of their lives together. Co-written with his son Mike, this affectionate and revealing memoir explores the influences which shaped John William, Michael and succeeding generations of Parkinsons. The journey leads them from the depths of a Yorkshire coal mine, via the chapel, pub and picture-house, to a spot behind the bowler's arm at Lord's and the sands at Scarborough. While Like Father, Like Son conveys a powerful sense of time and place, it is wit, insight and, above all, enduring love which shine through its pages.

The tennis star offers a candid account of his athletic career that reveals his rise to fame on the court, his most dramatic on-court moments, his famed rivalry with Andre Agassi, and the pressures of and lessons learned about success.

"A can't-put-it-down modern Western." —Kirk Siegler, NPR Longlisted for the PEN/ESPN Award for Literary Sports Writing The Last Cowboys is Pulitzer Prize-winning reporter John Branch's epic tale of one American family struggling to hold on to the fading vestiges of the Old West. For generations, the Wrights of southern Utah have raised cattle and world-champion saddle-bronc riders—many call them the most successful rodeo family in history. Now they find themselves fighting to save their land and livelihood as the West is transformed by urbanization, battered by drought, and rearranged by public-land disputes. Could rodeo, of all things, be the answer? Written with great lyricism and filled with vivid scenes of heartache and broken bones, The Last Cowboys is a powerful testament to the grit and integrity that fuel the American Dream.

Lee Evans is one of the best-loved comedians in the country; a Hollywood star able to sell out arenas in the blink of eye. But he was not always such a roaring success. The Life of Lee is an utterly hilarious and very moving autobiography charting his ups and downs on the way to the top. Lee takes us on a darkly humorous journey through his childhood spent running wild on a Bristol housing estate and his unconventional school days, when he was publicly derided as 'a failure' by a sadistic teacher. In this brilliantly entertaining and engaging tale, he also guides us through a grim teenage period of numerous dead-end jobs. When he was cleaning toilets and plucking turkeys, he could never have imagined that one day he would be playing to thousands of adoring fans at the O2 Arena. The book also reveals how as a boy Lee got his first taste of showbiz, living out of a suitcase and accompanying his entertainer father around the smoky, rowdy, unforgiving working-men's club and theatre circuit. Desperately struggling to be accepted, this quiet young loner always saw himself as an outsider. But he finally met the love of his life and accidentally discovered the one place where he felt at home: the stage. The Life of Lee is a story that is like its subject: compelling, touching, charming and, above all, fantastically funny.

A no-holds-barred, intimate memoir by John McEnroe—the bad boy of professional tennis. John McEnroe stunned the tennis elite when he came out of nowhere to make the Wimbledon semifinals at the age of eighteen—and just a few years later, he was ranked number one in the world. You Cannot Be Serious is McEnroe at his most personal, an intimate examination of Johnny Mac, the kid from Queens, and his “wild ride” through the world of professional tennis at a boom time when players were treated like rock stars. In this “bracing serve-and-volley autobiography” (The Boston Globe) he candidly explores the roots of his famous on-court explosions; his ambivalence toward the sport that made him famous; his adventures (and misadventures) on the road; his views of colleagues from Connors to Borg to Lendl; his opinions of contemporary tennis; his marriages to actress Tatum O'Neal and pop star Patty Smyth; and his roles as husband, father, senior tour player, and often-controversial commentator.

****The Instant National Bestseller**** The standout memoir from NBA powerhouse Andre Iguodala, the indomitable sixth man of the Golden State Warriors. Andre Iguodala is one of the most admired players in the NBA. And fresh off the Warriors' fifth Finals appearance in five years, his game has never been stronger. Off the court, Iguodala has earned respect, too—for his successful tech investments, his philanthropy, and increasingly for his contributions to the conversation about race in America. It is no surprise, then, that in his first book, Andre, with his cowriter Carvell Wallace, has pushed himself to go further than he ever has before about his life, not only as an athlete but about what makes him who he is at his core. The Sixth Man traces Andre's journey from childhood in his Illinois hometown to his Bay Area home court today. Basketball has always been there. But this is the story, too, of his experience of the conflict and racial tension always at hand in a professional league made up largely of African American men; of whether and why the athlete owes the total sacrifice of his body; of the relationship between competition and brotherhood among the players of one of history's most glorious championship teams. And of what motivates an athlete to keep striving for more once they've already achieved the highest level of play they could have dreamed. On drive, on leadership, on pain, on accomplishment, on the shame of being given a role, and the glory of taking a role on: This is a powerful memoir of life and basketball that reveals new depths to the superstar athlete, and offers tremendous insight into most urgent stories being told in American society today.
