Master Studies II "In many respects, this book picks up where the original Master Studies left off. Some of the material shown here is more difficult than that found in the first book. Like Master Studies, it's a workbook of material to use in developing the hands. It is not a drumset or coordination book, although several of the exercises ...

Among the very few truly iconic drum method books, legendary drummer Joe Morello's Master Studies is, according to Morello's own preface, not a "how-to" book, but rather a workbook of material to use in developing the hands for accenting and controlling the different pressures used in single strokes, double strokes, and closed rolls. "You can go through the book using any technique you've been taught," Morello states, "and you can apply the ideas in this book to any style of music ...
