Devil's Day: From the Costa winning and bestselling author ...

DEVIL'S DAY is a slow burn of a novel that sneaks up on you at times and yells 'boo', only to retreat again into the background. The themes of guilt intertwined with family history are inescapable and readers are helpless to do anything more than read on as the inevitable payment is taken from the Pentecost family for all of their alleged sins.

"A gripping and unsettling new novel by the award-winning author of The Loney that asks how much we owe to tradition, and how far we will go to preserve it"--

"Compulsively readable."—New York Times Book Review The extraordinary new thriller from Stuart Turton, author of the bestselling murder mystery The 7 1/2 Deaths of Evelyn Hardcastle, winner of the Costa Best First Novel Award. A murder on the high seas. A remarkable detective duo. A demon who may or may not exist. It's 1634, and Samuel Pippes, the world's greatest detective, is being transported to Amsterdam to be executed for a crime he may, or may not, have committed. Traveling with him is his loyal bodyguard, Arent Hayes, who is determined to prove his friend innocent. Among the other guests is Sara Wessel, a noblewoman with a secret. But no sooner is their ship out to sea than devilry begins to blight the voyage. A strange symbol appears on the sail. A dead leper stalks the decks. Livestock dies in the night. And then the passengers hear a terrible voice, whispering to them in the darkness, promising three unholy miracles, followed by a slaughter. First an impossible pursuit. Second an impossible theft. And third an impossible murder. Could a demon be responsible for their misfortunes? With Pippes imprisoned, only Arent and Sara can solve a mystery that stretches back into their past and now threatens to sink the ship, killing everybody on board. For fans of Steven King, The Devil and the Dark Water brings a chilling new spin to the Sherlock Holmes detective duo in a thriller of supernatural horror, occult suspicion, and paranormal mystery on the high seas.

A remote island. An isolated community. A terrible secret. If the new District Sheriff, Tristan Haraldsen, thought moving to a remote village on the island of Vagar would be the chance for a peaceful life with his wife Elsebeth, his first few weeks in office swiftly correct him of that notion. Provoked into taking part in the village's whale hunt against his will, Haraldsen blunders badly, and in the ensuing chaos two local boys go missing. Blaming himself, Haraldsen dives into the investigation and soon learns that the boys are not the first to have gone missing on Vagar. As Tristan and Elsebeth become increasingly ensnared by the island's past, they realise its wild beauty hides an altogether uglier and sinister truth.

THE SUNDAY TIMES TOP 10 BESTSELLER. WINNER OF THE 2015 COSTA FIRST NOVEL AWARD. THE BRITISH BOOK AWARDS BOOK OF THE YEAR 2016. A brilliantly unsettling and atmospheric debut full of unerving horror - 'The Loney is not just good, it's great. It's an amazing piece of fiction' Stephen King Two brothers. One mute, the other his lifelong protector. Year after year, their family visits the same sacred shrine on a desolate strip of coastline known as the Loney, in desperate hope of a cure. In the long hours of waiting, the boys are left alone. And they cannot resist the causeway revealed with every turn of the treacherous tide, the old house they glimpse at its end. . . Many years on, Hanry is a grown man no longer in need of his brother's care. But then the child's body is found. And the Loney always gives up its secrets, in the end. This is a novel of the unsaid, the implied, the barely grasped or understood, crammed with dark holes and blurry spaces that your imagination feels compelled to fill Observer 'A masterful excursion into terror' The Sunday Times

The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as # 1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with vivid, eyewitness accounts of what really happened. Peril is supplemented throughout with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making for an unparalleled history. It is also the first inside look at Biden's presidency as he faces the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president. "We have much to do in this winter of peril," Biden declared at his inauguration, an event marked by a nerve-wracking security alert and the threat of domestic terrorism. Peril is the extraordinary story of the end of one presidency and the beginning of another, and represents the culmination of Bob Woodward's news-making trilogy on the Trump presidency, along with Fear and Rage. And it is the beginning of a collaboration with fellow Washington Post reporter Robert Costa that will remind readers of Woodward's coverage, with Carl Bernstein, of President Richard M. Nixon's final days.

Prophecies, Visions, Occurrences and Dreams is an apocalyptic book. Since 1990, Raymond Aguilera began to receive prophecies, visions and warnings from God about the end of our world as we know it. These messages range from abortion, to the New Age movement, to Pastors who have misled the flock. They reveal things to come, things that now are and things that should not be... From hope, to love, to doom, to a new beginning, herein lies a broad range of insight from a whole new perspective. The prophecies are simple and straight forward, written from a first-hand perspective. They fly in the face of orthodox tradition and are a thorn in the side to everyone who has already made up his mind and heard on how the end is to come and who God is. This has the potential of being one of the most controversial books of the year.

The worst thing possible has happened. Richard and Juliette Willoughby's son, Ewan, has died suddenly at the age of five. Starve Acre, their house by the moors, was to be full of life, but is now a haunted place. Juliette, convinced Ewan still lives there in some form, seeks the help of the Beacons, a seemingly benevolent group of occultists. Richard, to try and keep the boy out of his mind, has turned his attention to the field opposite the house, where he patiently digs the barren dirt in search of a legendary oak tree. Starve Acre is a devastating new novel by the author of the prize-winning bestseller The Loney. It is a novel about the way in which grief splits the world in two and how, in searching for hope, we can so easily unearth horror.

Chad Lett is a mute witness to an attempted murder. He suffers from total paralysis, locked within a prison of his own mind. After years of silence, he establishes contact with a young nurse's aid through a single blinking eye, but then she is abducted and a staff member begins to administer dropperfuls of cleaning solution into his communicating eye. A heart-pounding thriller that will stay with the reader long after the last page is turned, the Devil's Deep is a top rated suspense that travels from the hell of a long-term care facility to the rain forest of Costa Rica. And a crime committed under tropical waters, the dive known as El Bajo del Diablo—the Devil's Deep. Keywords: conspiracy, murder, dark, amateur, disturbing, scary, locked-in syndrome, suspense, thriller, diving, locked-in syndrome

EVERYTHING you think you know about the song, "We Shall Overcome..." is WRONG. This is the Shocking, Untold Story of the iconic freedom-song. We Shall Overcome and its TRUE author, Louise Shropshire - a sharecropper's daughter and self-proclaimed "nobody," who through love and dedication to God, Gospel-music and the African-American Church, overcomes racism and poverty to find herself in the inner-circle of Rev. Dr. Martin Luther King Jr., Rev. Fred Shuttlesworth, Rev. Thomas A. Dorsey and the Civil Rights Movement. Along her way, Shropshire composes and copyrights a popular Gospel-hymn, which is secularized and hijacked by Pete Seeger and his powerful associates known to insiders as the "Folk Mafia." The sacred song is then unlawfully copyrighted by Seeger and his associates then peddled for untold millions all over the globe by Pete Seeger, Bob Dylan, Joan Baez, Bruce Springsteen and countless others. Featuring more than 160 extraordinary photographs, this well sourced and cited compendium not only describes the disturbing details surrounding the misappropriation of Louise Shropshire's sacred hymn, but also explores the historical attitudes of Black-exploitation, subjugation and racism in America by non culture-bearers. Attitudes that enabled such an unthinkable act to occur in the first place, and remain unchallenged for half a century. Although the US Library of Congress has called We Shall Overcome; "The Most Powerful Song of the 20th Century..." a song that raked in untold millions in royalties for its hijackers, Louise Shropshire would die penniless and unrecognized.

In this utterly gripping thriller, Sarah, the fearless heroine of indie bestseller Orphan Monster Spys, hunts a rogue German doctor in Central Africa who might be a serial murderer. It's 1940, and Sarah Goldstein is hiding in plain sight as Ursula Haller, the Shirley Temple of Nazi high society. She helps the resistance by spying on Nazi generals at cocktail parties in Berlin, but she yearns to do more. Then the spy she works for, the Captain, gets word of a German doctor who's gone rogue in Central Africa. Rumors say the doctor is experimenting with a weapon of germ warfare so deadly it could wipe out entire cities. It's up to the Captain and Sarah to reach the doctor and seize this weapon—known as "the Bleeding"—before the Nazis can use it to murder thousands. Joining them on their journey, in of the guise of a servant, is Clementine, a half-German, half-Senegalese girl, whose wit and ferocity are a perfect match for Sarah's. As they travel through the areas now known as the Republic of the Congo and Gabon, Clementine's astute observations force Sarah to face a hard truth: that mass extermination didn't start with the Nazis. This unbearably high-stakes thriller pushes Sarah to face the worst that humanity is capable of—and challenges her to find reasons to keep fighting.
