Kiva Fellow ready to explore the world! When I write this, I have just arrived in my new hometown for the next four months, Kigali, the capital of Rwanda. Slowly I am getting used to being in one place for more than two consecutive weeks after having spent the past few months travelling over three continents to twelve countries with more than 200 hours on at least forty flights.

Travel, learn, live: why we should never stop exploring ...

300 stunning maps from all periods and from all around the world, exploring and revealing what maps tell us about history and ourselves. Map: Exploring the World brings together more than 300 fascinating maps from the birth of cartography to cutting-edge digital maps of the twenty-first century. The book's unique arrangement, with the maps organized in complimentary or contrasting pairs, reveals how the history of our attempts to make flat representations of the world has been full of beauty ...

Exploring The World of Music shows how elements such as melody, rhythm, and texture create an infinite variety of sounds and serve as expressions of culture. Through rare archival footage and contemporary performances, the series presents themes such as music and the environment, music as cultural memory, and how technology changes music.

I utilized Scikit-Learn ' s CountVectorizer API to generate the bag of words. I defined a function that takes a corpora of words from the ' Variety ' column and counts each n-gram ' s occurrence. I applied this function on the Variety column, generating unigrams with the NLTK ' s default stop words list.
