where two new characters will confront the next wave of the BeiTech assault. Hanna is the station captain's pampered daughter; Nik the reluctant member of a notorious crime family. But while the pair are struggling with the realities of life aboard the galaxy's most boring space station, little do they know that Kady Grant and the Hypatia are headed right toward Heimdall, carrying news of the Kerenza invasion. When an elite BeiTech strike team invades the station, Hanna and Nik are thrown together to defend their home. But alien predators are picking off the station residents one by one, and a malfunction in the station's wormhole means the space-time continuum might be ripped in two before dinner. Soon Hanna and Nik aren't just fighting for their own survival; the fate of everyone on the Hypatia—and possibly the known universe—is in their hands. But relax. They've totally got this. They hope. For fans of Marie Lu comes the first book in an epic series that bends the sci-fi genre into a new dimension. "A truly beautiful novel that redefines the form." —Victoria Aveyard, bestselling author of Red Queen This morning, Kady thought breaking up with Ezra was the hardest thing she 'd have to do. This afternoon, her planet was invaded. The year is 2575, and two rival megacorporations are at war over a planet that 's little more than a speck at the edge of the universe. Now with enemy fire raining down on them, Kady and Ezra—who are barely even talking to each other—are forced to evacuate with a hostile warship in hot pursuit. But their problems are

From bestselling author Jay Kristoff comes the second installment in the LIFEL1K3 trilogy--hailed by Marie Lu as "a breathless, action-packed exploration of what humanity really means." In the wake of a climactic battle in the ruined city of Babel, two former best friends suddenly find themselves on opposite sides of the same quest. Eve is torn between the memories of the girl she was, and the synthetic she's discovered herself to be. Together with her lifelike "siblings," Eve sets out to find the real Ana Monrova, whose DNA is the key to building

an army of lifelikes. Meanwhile, Eve's best friend, Lemon, is coming to terms with a power that she has long denied--and that others want to harness as a weapon. When she meets a strange boy named Grimm, he offers to lead her out of the horror-ridden landscape and to an enclave of other abnorms like herself. There, Lemon quickly finds a sense of belonging--and perhaps even love--among the other genetic deviates. But all is not what it seems, and with enemies and friends, heroes and villains wearing interchangeable faces, Lemon, too, will join the race to locate Ana Monrova before her former best friend can get to her.
