Journal Number 3 from the hit tv show Gravity Falls, created by Alex Hirsch, was released on July 26th of 2016. Ford's journal is packed with every page ever seen in the show, plus many others, but it is also packed with something else: CODES. In this book, I will be decoding every page in the journal myself, and then posting the decoded pages. I'll even do tutorials on how to use several different encoders and ciphers, along with information about that cipher.
