Prickly twenty-five-year-old Loveday Jenna Cardew has worked in the idiosyncratic secondhand Lost for Words bookshop in York since she first set foot inside as a damaged fifteen-year-old teenager. A self-confessed loner, over-thinker and avid reader, Loveday, has found solace in the non-judgemental company of the written word as she tries her best to go unnoticed despite her love of bookish tattoos and nose ring.

Natalie Russell will inspire even the littlest artists to find their creative spark.

Edward St. Aubyn is "great at dissecting an entire social world" (Michael Chabon, Los Angeles Times) Edward St. Aubyn's Patrick Melrose novels were some of the most celebrated works of fiction of the past decade. Ecstatic praise came from a wide range of admirers, from literary superstars such as Zadie Smith, Francine Prose, Jeffrey Eugenides, and Michael Chabon to pop-culture icons such as Anthony Bourdain and January Jones. Now St. Aubyn returns with a hilariously smart send-up of a certain major British literary award. The judges on the panel of the Elysian Prize for Literature must get through hundreds of submissions to find the best book of the year. Meanwhile, a host of writers are desperate for Elysian attention: the brilliant writer and serial heartbreaker Katherine Burns; the lovelorn debut novelist Sam Black; and Bunjee, convinced that his magnum opus, *The Mulberry Elephant*, will take the literary world by storm. Things go terribly wrong when Katherine's publisher accidentally submits a cookery book in place of her novel; one of the judges finds himself in the middle of a scandal; and Bunjee, aghast to learn his book isn't on the short list, seeks revenge. *Lost for Words* is a witty, fabulously entertaining satire that cuts to the quick of some of the deepest questions about the place of art in our celebrity-obsessed culture, and asks how we can ever hope to recognize real talent when everyone has an agenda.

□A must-read for anyone who wants to be heard□ Multiple #1 Best Selling Author and Award Nominated Coach, Catherine Nolan is a conduit to voices being heard, careers and lives lived to the full. You know that X-Factor colleague who always has the BEST stories to tell? With on point, zero waffle delivery, they leave an impression like a Batman fist in aluminium! Then they're off to deliver the next killer strategy or inspire an army sized fired-up team, or save an orphanage... Or raise their family beautifully

that traces the personal battles involved in chronicling an ever-changing language.

All Sophie wants is to forget what happened last summer. But that's not easy when people keep asking if she's okay, and her mother locks herself behind closed doors for hours at a time. And now her best friend, Abigail, cares more about parties and boys than about hanging out with Sophie. Lost in memories of the life she had before that terrible day, Sophie retreats into herself. But it's only so long before she must confront the tragedy of her past so she can face the future.

'Greatly enjoyable' GUARDIAN 'It is always exhilarating to read a book which says what so many of us think' SPECTATOR 'Timely and lively' SUNDAY TELEGRAPH 'Let us be very clear about this from the start: John Humphrys is a Good Thing' EVENING STANDARD * * * * * From Today programme presenter and national treasure John Humphrys, the bestselling cry in book form for better English and an exposé of the political uses and abuses of language. From empty cliché to meaningless jargon, dangling participle to sentences without verbs, the English language is reeling. It is under attack from all sides. Politicians dupe us with deliberately evasive language. Bosses worry about impacting the bottom line while they think out of the box. Academics talk obscure mumbo jumbo. Journalists and broadcasters, who should know better, lazily collaborate. In his bestselling *Lost for Words*, Today presenter and national treasure John Humphrys wittily and powerfully exposes the depths to which our beautiful language has sunk and offers many examples of the most common atrocities. He also dispenses some sensible guidance on how to use simple, clear and honest language. Above all, he shows us how to be on the alert for the widespread abuse - especially by politicians - and the power of the English language.

REESE'S BOOK CLUB PICK FOR MAY 22! ☐ ☐Delightful . . . [a] captivating and slyly subversive fictional paean to the real women whose work on the Oxford English Dictionary went largely unheralded.☐☐The New York Times Book Review ☐A marvelous fiction about the power of language to elevate or repress.☐☐Geraldine Brooks, New York Times bestselling author of People of the Book Esme is born into a world of words. Motherless and irrepressibly curious, she spends her childhood in the Scriptorium, an Oxford garden shed in which her father and a team of dedicated lexicographers are collecting words for the very first Oxford English Dictionary. Young Esme's place is beneath the sorting table, unseen and unheard. One day a slip of paper containing the word bondmaid flutters beneath the table. She rescues the slip and, learning that the word means "slave girl," begins to collect other words that have been discarded or neglected by the dictionary men. As she grows up, Esme realizes that words and meanings relating to women's and common folks' experiences often go unrecorded. And so she begins in earnest to search out words for her own dictionary: the Dictionary of Lost Words. To do so she must leave the sheltered world of the university and venture out to meet the people whose words will fill those pages. Set during the height of the women's suffrage movement and with the Great War looming, The Dictionary of Lost Words reveals a lost narrative, hidden between the lines of a history written by men. Inspired by actual events, author Pip Williams has delved into the archives of the Oxford English Dictionary to tell this highly original story. The Dictionary of Lost Words is a delightful, lyrical, and deeply thought-provoking celebration of words and the power of language to shape the world. WINNER OF THE AUSTRALIAN BOOK INDUSTRY AWARD

Strike a light! things are crook in tallarook! Hugh Lunn has been collecting old words and phrases that

Read Book Lost For Words If You Loved The Keeper Of Lost Things You LI Love This

are no longer a part of our everyday language, and has brought them together in a book in a totally unique, informative and humorous way. Divided into themes (such as Mother's advice, things about the house, Argy bargy, trouble at work) words and phrases are placed into context in mini-stories that will have you chuckling and remembering a time when these sayings were a rich part of your life.
