100 hilarious essays, based on blindingly obvious questions, from the creators of Geeks Who Drink—led by six-time Jeopardy! champion, Christopher D. Short. The best trivia questions are usually the ones that are right on the tip of your tongue—so obvious that you may not know the answer offhand, but you should. In Duh, America ' s foremost masters of pub quiz, Geeks Who Drink, will take trivia lovers on a voyage through 100 of our face-palming questions. Along the way, we ' ll explore the blind hills and corners that make random knowledge so much fun. In hilarious, informative, bite-size essays, we ' ll explore such not-really-mysteries as: -How many stars are on the Texas state flag? -Odlaw is the nemesis of what kid book character? -What ' s the last word in the King James Bible? Even if you already know the " what " —and you might not!—we ' ll fill in the " why. " And the when, where, and how. By the end you may feel dumber, but you ' ll be smarter. We almost guarantee it! By the way, that would be one (lone) star, Waldo, and " Amen. " Duh!

Trivia Chicken is a trivia game fully contained in a 5.25 inch x 8 inch trade paperback, including around 125 questions. Only pens and paper are needed to play the game. The game is expected to take around 2 hours and can be shortened if the players agree to skip sorties. This edition of the game, It's Geek to Me, contains trivia questions that are intended for American adults, therefore some subject matter may not be as familiar to other consumers. We continue to develop games in a variety of languages and cultural points-of-view. If there is a game you would like to see, we would love to hear from you at suggestions@triviachicken.com. Games in this series include: Volume 1 - Heroes & Villains Volume 2 - It's Geek to Me Volume 3 - Presidents & Politics Volume 4 - People, Places & Things Volume 5 - Movies & Media Volume 6 - Rock & Roll Volume 7 - Sports & Recreation Volume 8 - Tools & Weapons Volume 9 - Women of Distinction Volume 10 - Love, Sex & Romance Get Trivia Chicken - Volume D - The Free Editon online on Facebook http://www.facebook.com/TriviaChicken on the Web http://www.triviachicken.com Trivia Chicken on Twitter - @TriviaChickenDo you know...What element causes Vulcan blood to appear green? Hollywood Forever Hollywood is responsible for laughs, tears, dramatic moments, deep thought, superhero flicks, car chases, and more consumption of expensive popcorn than anyone would ever have thought possible. Everyone has a film nerd inside them. This book celebrates that, and checks your Hollywood Nerd Quotient, through the hundreds of creative questions that give you clues of different types to guess film names. In the pages of this book, your knowledge of English language films will be tested in the following ways: - Through questions on the titles of films: Oscar winning blockbusters, obscure film school flicks, old films, new movies, traditional films, bold arthouses pieces - they're all represented! - Through hints relating to the year of release and directors: This book celebrates all that is great about the world's largest film industry, and the directors are an important part of that. - Through lateral thinking puzzles: In addition to the facts given above that will help you guess the movie that I have clued in each puzzle, I have also made sure to give you facts about the title, so that you can guess it through logic and your intelligence alone, even if one movie in ten is super obscure, and you probably have not heard of it. There are also detailed answers available at the end of the book. This book is very accessible - you will find it instructive and enjoyable whether you know the entirety of IMDB back to front, or whether you are a mere novice in the world of Hollywood trivia, and are just getting started on your starry eyed quest for stardom. The large number of questions and diverse question types ensure that you can spend dozens of hours on this book. It can also be enjoyed either by you individually, or with friends - sharing is caring! The book can also be used as an educational tool, and as an important tool that can help you discover new films that you didn't know existed. This is done by the feature where you can concentrate on a single director's output, or on works from a particular time range. Therefore, you will be entertained, you will feel nostalgia, your mind will get a workout, and you will discover new films, all at once. Lights, Camera, Action!

Video Games are Always Special Are you a Tetris tyrant? Or a Mario maniac? Or a Call of Duty connoisseur? Or a Fortnite fan? Or a PacMan purist? Or a Doom Demon? Whichever video game you're a hardcore fan of, this trivia quiz book will give you all you ever wanted: a chance to test your knowledge of the most popular video games of all time. We sit at a very interesting point in history. After a year when every member of the human race was more or less confined to one spot, video game sales spiked to an all time high - whether you are a console player or a PC gamer or a mobile player, odds are that you have contributed to the huge boom in the video game market. With an expansion in the market has come a fresh influx of AAA titles - of games that take player engagement and world immersion to new, and unprecedented, heights. One only has to compare the open world beauty of Breath of the Wild to the original The Legend of Zelda to marvel at the incredible leaps that a format of art can take over the course of three short decades. Game studios pump out works of astonishing creativity in a few years each, and we have to respect their hard work and genre-bending mindset. Interactive movies are no longer something that we can hope for in the distant future: they're right here, and we call them video games! The benefits of video games are also beginning to be understood by a broad cross section of society. From their use in training (for example, in pilot simulators) to their use in experiential industries (the VR tech used in tourism was largely developed by and for gamers), video games are at the cutting edge of technology, and its interactions with humans and societies. No longer are they seen as time sinks: in addition to the benefits listed above, platforms like Twitch have made streaming a legitimate revenue stream, and created millionaires out of people who are able to stare their therapeutic gameplay with a large audience across the world. This is a trivia contest with a difference: to do well, you will need to be a video game fan (casual and devoted fans are both welcome, since the level of difficulty slopes upwards gently), and you will need to have an alert brain, that is able to bring together many different pieces of information, and process all of them to come up with an overall coherent message. You can attempt the video game based puzzles in this book at your own pace. There are 5 hints for each question (in addition to the main clue about the game's name or title), so you will have all the information you need to guess each title. Even if you can't, the wealth of information in the hints (and the answers provided at the end of the book), will ensure that you leave each clue with more knowledge than when you came in; your brain will definitely be expanded, even as your fingers each to be reunited with your controller again, so that you can experience the games that filled your youth with hours of innocent fun. I have tried to include as many different game platforms as possible. From the Nintendo 64 to the PlayStation 4, from the original Xbox to PC exclusive games, everything is represented! I am sure that you will have tons of fun with this book, and that you will do really well, as you prove that you are the ultimate fan of the most engaging works of art that our civilization has created in the past century. Let us play!
