The National Certified Phlebotomy Technician Exam contains approximately 150 questions. 25 of these questions do not count toward the test taker's overall score. However, the remaining 125 questions do. The exam is also timed. Test takers must complete the exam in approximately three full hours.

National Certified Phlebotomy Technician Practice Test ...

I just found out that I passed my National Phlebotomy Technician Exam through NHA. I was upset all week long because I thought I failed. The test was 125 questions long and I found myself stuck on many of them, and when I was finished the guy at the desk gave me a disappointing look. Although I dont have my score yet, it turns out I passed.
