With many years of experience restoring fine artworks, photographs, watercolours and drawings, we are proud to have worked with many leading museums, galleries, exhibitors and art dealers across the UK and abroad.

~~Fine Art Restorers providing Restoration for Fine Art~~

The conservation and restoration of books, manuscripts, documents and ephemera is an activity dedicated to the preservation and protection of items of historical and personal value made primarily from paper, parchment, and leather. When applied to cultural heritage, conservation activities are generally undertaken by a conservator. The primary goal of conservation is to

The European Research Centre for Book
and Paper Conservation-Restoration was
founded in March 2010. It was created on
the initiative of the community of
conservator-restorers, archivists, librarians
and other professionals all over Europe,
who saw an urgent need to foster research
in book and paper conservation to be able
to rescue the graphical and written
heritage more efficiently.
