Phantom Limb really delves into the world of our mind and how we deal with things. I really enjoyed the twin aspect of the story as it adds another level to the story. It's certainly a story that will consume you and have you gripped throughout. If you are a fan of psychological thrillers, then would certainly recommend giving this one a go.

Her life spins out of control at a terrifying speed as she desperately tries to unravel the psychological puzzle of her past before it's too late. Phantom Limb is a character-driven mystery that begs to be read in a single setting. The shocking and shattering conclusion will make you go back and read it again.
