Blue Card test for handguns? Hey, I'm looking to purchase a handgun and know that in order to buy one I need to pass a test to get a Blue Card. I've glanced at the study guide and read some old reddit posts about it, so I understand that it's mostly about safety and common sense.

~~Blue Card test for handguns? : RhodeIsland~~

Taking the blue card test is easy, maybe a little too easy. I took the test without reading the booklet and scored a 100%. The thing to remember when taking the blue card test is to always think "SAFE".

~~Getting my Blue Card...couple questions...~~

Basically, the blue card certifies that the applicant wishing to purchase a firearm in Rhode Island has taken and passed the state-mandated handgun safety exam. So, to get a blue card in Rhode Island, you've got to take that test first. But how do you take the test? Easy – just visit any RIDEM-approved firearms dealer or sporting club in the state. Alternatively, you can take the test between the hours of 9 a.m. and 3 p.m. on Monday, Wednesday or Friday at:

The polygraph, often portrayed as a magic mind-reading machine, is still controversial among experts, who continue heated debates about its validity as a lie-detecting device. As the nation takes a fresh look at ways to enhance its security, can the polygraph be considered a useful tool? *The Polygraph and Lie Detection* puts the polygraph itself to the test, reviewing and analyzing data about its use in criminal investigation, employment screening, and counter-intelligence. The book looks at: The theory of how the polygraph works and evidence about how deceptiveness and other psychological conditions affect the physiological responses that the polygraph measures. Empirical evidence on the performance of the polygraph and the success of subjects' countermeasures. The actual use of the polygraph in the arena of national security, including its role in deterring threats to security. The book addresses the difficulties of measuring polygraph accuracy, the usefulness of the technique for aiding interrogation and for deterrence, and includes potential alternatives such as voice-stress analysis and brain measurement techniques.

Moving backward in time, Dorris's critically acclaimed debut novel is a lyrical saga of three generations of Native American women beset by hardship and torn by angry secrets.

"Learn About the United States" is intended to help permanent residents gain a deeper understanding of U.S. history and government as they prepare to become citizens. The product presents 96 short lessons, based on the sample questions from which the civics portion of the naturalization test is drawn. An audio CD that allows students to listen to the questions, answers, and civics lessons read aloud is also included. For immigrants preparing to naturalize, the chance to learn more about the history and government of the United States will make their journey toward citizenship a more meaningful one.
