## Project Chapter Motion 9th

**Students** of the 9th standard are advised to learn the physics formula lists thoroughly to build a strong grip on the subject. Without having a grip on the formulas, students will face lots of difficulties solving problems on topics like optics, electric current, electromagnetism, laws of motion, electromagnetic radiation, etc.

### Physics Formulas For Class 9 - Physics Formulas List

In this page get class 9 motion notes in easy to understand language. This chapter is studied under class 9 physics. Concept of motion is foundation to all physics. you must have learned about motion and types of motion in physics from your previous classes.
