Sing Me High

The Walking Roots Band is excited to serve as musical hosts for the Sing Me High Music Festival, which takes its name from a Walking Roots Band song written while members of the band bicycled through the rolling hills of upstate New York on their way to Michigan. The lyrics are ostensibly about a love for the Shenandoah Valley, but perhaps speak even more to music's power to carry us through the ups and downs of life as we live and sing praise to God wherever we are.
