An invaluable study aid for students of game theory Solutions Manual to accompany Game Theory: An Introduction, 2nd Edition provides complete explanations and fully worked solutions for the problems posed in the text. Although designed as a supplement to Game Theory, this solutions guide is versatile enough to act as an independent review of key topics, regardless of which textbook you are using.

Solutions Manual to Accompany Game Theory: An Introduction ...

One of the major challenges related to money in politics is the lack of transparency surrounding political party and electoral finance. This is the case across the world and applies to established and newer democracies alike. Information on political party and candidate income and expenditure is rarely published online in a searchable and user-friendly manner.
