approach to practical wisdom  
without identifying the key  
personal virtues is meaningless,  
because practical wisdom is  
developed by practicing moral  
virtues. In this paper I will identify  
those virtues and will give  
examples how they come to the  
practically wise manager. The  
source and vehicle of those  
virtues is what I call spiritual  
capital, which has

Spiritual capital has come to  
prominence in recent years due  
to the combination of three  
related trends: the failure of  
secularization/modernization
