The Secret Life of Bees by Sue Monk Kidd - AbeBooks

Bees have a secret life we don't know anything about.' I loved the idea of bees having a secret life, just like the one I was living (8.89). And here we get to the bottom of the title. As Lily's thoughts here suggest, secrecy isn't all about being dodgy and running from the law/abusive daddies.

After her mother's death, Lily Owens and her African-American maid seek refuge from the racism of their South Carolina hometown with eccentric beekeeping sisters in this coming of age story representing the letter "K" in a new series of twenty-six collectible editions.

Lily has grown up believing she accidentally killed her mother when she was four. She not only has her own memory of holding the gun, but her father's account of the event. Now fourteen, she yearns for her mother, and for forgiveness. Living on a peach farm in South Carolina with her father, she has only one friend: Rosaleen, a black servant whose sharp exterior hides a tender heart. South Carolina in the sixties is a place where segregation is still considered a cause worth fighting for. When racial tension explodes one summer afternoon, and Rosaleen is arrested and beaten, Lily is compelled to act. Fugitives from justice and from Lily's harsh and unyielding father, they follow a trail left by the woman who died ten years before. Finding sanctuary in the home of three beekeeping sisters, Lily starts a journey as much about her understanding of the world, as about the mystery surrounding her mother.

Listen to tiny tales from Buzzwing the hardworking honeybee. Combining nonfiction with a splash of fantasy, The Secret Life of Bees is a book to get lost in, time and again.

An introspective and beautiful dual memoir by the #1 New York Times bestselling novelist and her daughter. Look out for Ann Kidd Taylor's new novel, The Shark Club, which will be published in June 2017. Sue Monk Kidd has touched millions of readers with her novels The Secret Life of Bees and The Mermaid Chair and with her acclaimed nonfiction. In this intimate dual memoir, she and her daughter, Ann, offer distinct perspectives as a fifty-something and a twenty-something, each on a quest to redefine herself and to rediscover each other. Between 1998 and 2000, Sue and Ann travel throughout Greece and France. Sue, coming to grips with aging, caught in a creative vacuum, longing to reconnect with her grown daughter, struggles to enlarge a vision of swarming bees into a novel. Ann, just graduated from college, heartbroken and benumbed by the classic question about what to do with her life, grapples with a painful depression. As this modern-day Demeter and Persephone chronicle the richly symbolic and personal meaning of an array of inspiring figures and sites, they also each give voice to that most protean of connections: the bond of mother and daughter. A wise and involving book about feminine thresholds, spiritual growth, and renewal, Traveling with Pomegranates is both a revealing self-portrait by a beloved author and her daughter, a writer in the making, and a momentous story that will resonate with women everywhere.

"An extraordinary novel . . . a triumph of insight and storytelling." —Associated Press "A true masterpiece." —Glennon Doyle, author of Untamed An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of The Secret Life of Bees and The Invention of Wings In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, The Book of Longings is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devalued to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

A transcendent tale of a woman's self-discovery—the New York Times–bestselling second work of fiction by the author of The Secret Life of Bees and The Book of Longings Inside the church of a Benedictine monastery on Egret Island, just off the coast of South Carolina, resides a beautiful and mysterious chair ornately carved with mermaids and dedicated to a saint who, legend claims, was a mermaid before her conversion. When Jessie Sullivan is summoned home to the island to cope with her eccentric mother's seemingly inexplicable behavior, she is living a conventional life with her husband, Hugh, a life "molded to the smallest space possible." Jessie loves Hugh, but once on the island, she finds herself drawn to Brother Thomas, a monk about to take his final vows. Amid a rich community of unforgettable island women and the exotic beauty of marshlands, tidal creeks, and majestic egrets, Jessie grapples with the tension of desire and the struggle to deny it, with a freedom that feels overwhelmingly right, and with the immutable force of home and marriage. Is the power of the mermaid chair only a myth? Or will it alter the course of Jessie's life? What happens will unlock the roots of her mother's tormented past, but most of all, it will allow Jessie to discover selfhood and a place of belonging as she explores the thin line between the spiritual and the erotic.

A friendly, accessible insight into the weird, but wonderful world of bees in your garden From the common or garden bumblebees that nest in bird boxes, compost heaps and old mouse holes, making 'Winnie the Pooh' style honey pots to feed their babes, to the quirky wood carter bee; a solitary bee that combs the fluff from garden plants to line her brood cells and the amazing leaf cutter bee that carves chunks out of plant foliage to seal it's egg chambers. This book will reveal the secrets and fascinating lives of the bees that live and breed in your garden, from buzz pollination, to the bee robbers that cheat the plants and steal nectar by stealth. With a chapter per season to explore what you are likely to see in your garden, great plants to grow to help them, plus other fascinating information on these secretive creatures, this book is designed to bring alive the world of garden before your very eyes.

Read Beth Hoffman's blogs and other content on the Penguin Community. Steel Magnolias meets The Help in this Southern debut novel sparkling with humor, heart, and feminine wisdom Twelve-year-old CeeCee Honeycutt is in trouble. For years, she has been the caretaker of her psychotic mother, Camille-the tiara-toting, lipstick-smeared laughingstock of an entire town-a woman trapped in her long-ago moment of glory as the 1951 Vidalia Onion Queen. But when Camille is hit by a truck and killed, CeeCee is left to fend for herself. To the rescue comes her previously unknown great-aunt, Tootie Caldwell. In her vintage Packard convertible, Tootie whisks CeeCee away to Savannah's perfumed world of prosperity and Southern eccentricity, a world that seems to be run entirely by women. From the exotic Miz Thelma Rae Goodpepper, who bathes in her backyard bathtub and uses garden slugs as her secret weapons, to Tootie's all-knowing housekeeper, Oletta Jones, to Violene Hobbs, who entertains a local police officer in her canary-yellow peignoir, the women of Gaston Street keep CeeCee entertained and enthralled for an entire summer. Laugh-out-loud funny and deeply touching, Beth Hoffman's sparking debut is, as Kristin Hannah says, "packed full of Southern charm, strong women, wacky humor, and good old-fashioned heart." It is a novel that explores the indomitable strengths of female friendship and gives us the story of a young girl who loses one mother and finds many others. Watch a Video

The Secret Life of Bees: The multi-million-copy bestselling novel about a young girl's journey towards healing and the transforming power of love, from the award-winning author of The Invention of Wings. Lily has grown up believing she accidentally killed her mother when she was four years old. Now, at fourteen, she yearns for forgiveness and a mother's love. Living on a peach farm in South Carolina with her harsh and unforgiving father, she has only one friend, Rosaleen, a black servant. When racial tension explodes one summer afternoon, and Rosaleen is arrested and beaten, Lily chooses to flee with her. Fugitives from justice, the pair follow a trail left by the woman who died ten years before. Finding sanctuary in the home of three beekeeping sisters, Lily starts a journey as much about her understanding of the world as about the mystery surrounding her mother. 'A wonderful book, by turns sad, full of incident and shot through with grown-up magic reminiscent of Joanne Harris' Daily Telegraph 'Charming, funny, moving' The Times 'Wonderfully written, powerful, poignant...read it' Joanna Trollope What readers are saying about The Secret Life of Bees: 'One of the most poignant and heart tugging books I have ever read' Amazon reviewer, 5 stars 'Emotional and heart-breaking, yet full of hope and love. I laughed and cried equally through the book. This wonderful book will stay with me for a long time to come' Amazon reviewer, 5 stars 'One of the best books I've read in a while. Touching, well-written, beautiful, full of expression, insightful' Goodreads reviewer, 5 stars 'A beautifully written masterpiece. I loved the writing, the descriptions, the humour sprinkled through the story. There was sadness and love, hope and forgiveness. I highly recommend this book' Goodreads reviewer, 5 stars

The bestselling author's inspiring autobiographical account of personal pain, spiritual awakening, and divine grace. "Inspiring. Sue Monk Kidd is a direct literary descendant of Carson McCullers."—Baltimore Sun "Grounded in personal experience and bolstered with classic spiritual disciplines and Scripture, this book offers an alternative to fast-fix spirituality."—Bookstore Journal Blending her own experiences with an intimate grasp of spirituality, Sue Monk Kidd relates the passionate and moving tale of her spiritual crisis, when life seemed to have lost meaning and her longing for a hasty escape from the pain yielded to a discipline of "active waiting."
