“For fans of Kate Morton and Daphne du Maurier, Black Rabbit Hall is an obvious must-read.”—Bookpage A secret history. A long-ago summer. A house with an untold story. Amber Alton knows that the hours pass differently at Black Rabbit Hall, her London family’s Cornish country house, where no two clocks read the same. Summers there are perfect, timeless. Not much ever happens. Until, one terrible day, it does. More than three decades later, Lorna is determined to be married within the grand, ivy-covered walls of Pencraw Hall, known as Black Rabbit Hall among the locals. But as she’s drawn deeper into the overgrown grounds, she soon finds herself ensnared within the house’s labyrinthine history, overcome with a need for answers about her own past and that of the once-golden family whose memory still haunts the estate. Eve Chase's debut novel is a thrilling spiral into the hearts of two women separated by decades but inescapably linked by the dark and tangled secrets of Black Rabbit Hall.

In Scenes of Sympathy, Audrey Jaffe argues that representations of sympathy in Victorian fiction both reveal and unsettle Victorian ideologies of identity. Situating these representations within the context of Victorian visual culture, and offering new readings of key works by Charles Dickens, Elizabeth Gaskell, Ellen Wood, George Eliot, Oscar Wilde, and Arthur Conan Doyle, Jaffe shows how mid-Victorian spectacles of social difference construct the middle-class self, and how late-Victorian narratives of feeling pave the way for the sympathetic affinities of contemporary identity politics. Perceptive and elegantly written, Scenes of Sympathy is the first detailed examination of the place of sympathy in Victorian fiction and ideology. It will redirect the current critical conversation about sympathy and refocus discussions of late-Victorian fictions of identity.

“A modern-day Crucible….Beneath the surface of a suburban utopia, madness lurks.” —Liv Constantine, bestselling author of The Last Mrs. Parrish “Sarah Langan is a phenomenal talent with a wicked sense of wry humor. Good Neighbors knocked me out. Like Shirley Jackson, Langan’s work blends a bleak streak with an underlying sense of the humane that wrung my heart.” —Victor LaValle, author of The Changeling Celeste Ng’s enthralling dissection of suburbia meets Shirley Jackson’s creeping dread in this propulsive literary noir, when a sudden tragedy exposes the depths of deception and damage in a Long Island suburb—pitting neighbor against neighbor and putting one family in terrible danger. Welcome to Maple Street, a picture-perfect slice of suburban Long Island, its residents bound by their children, their work, and their illusion of safety in a rapidly changing world. Arlo Wilde, a gruff has-been rock star who’s got nothing to show for his fame but track marks, is always two steps behind the other dads. His wife, beautiful ex-pageant queen Gertie, feels socially ostracized and adrift. Spunky preteen Julie curses like a sailor and her kid brother Larry is called “Robot Boy” by the kids on the block. Their next-door neighbor and Maple Street’s Queen Bee, Rhea Schroeder—a lonely community college professor repressing her own dark past—welcomes Gertie and family into the fold. Then, during one spritzer-fueled summer evening, the new best friends share too much, too soon. As tensions mount, a sinkhole opens in a nearby park, and Rhea’s daughter Shelly falls inside. The search for Shelly brings a shocking accusation against the Wildes that spins out of control. Suddenly, it is one mom’s word against the other’s in a court of public opinion that can end only in blood. A riveting and ruthless portrayal of American suburbia, Good Neighbors excavates the perils and betrayals of motherhood and friendships and the dangerous clash between social hierarchy, childhood trauma, and fear.

A Brooklyn love story, set to music: Kings County “crystallizes how it feels to be young and in love in New York City” (Stephanie Danler). It’s the early 2000s and like generations of ambitious young people before her, Audrey Benton arrives in New York City on a bus from nowhere. Broke but resourceful, she soon finds a home for herself amid the burgeoning music scene in Williamsburg, Brooklyn. But the city’s freedom comes with risks, and Audrey makes compromises to survive. As she becomes a minor celebrity in indie rock circles, she finds an unlikely match in Theo Gorski, a shy but idealistic mill-town kid who’s struggling to establish himself in the still-patrician world of books. But then an old acquaintance of Audrey’s disappears under mysterious circumstances, sparking a series of escalating crises that force the couple to confront a dangerous secret from her past. From the raucous heights of Occupy Wall Street to the comical lows of the publishing industry, from million-dollar art auctions to Bushwick drug dens, Kings County captures New York City at a moment of cultural reckoning. Grappling with the resonant issues and themes of our time—sex and violence, art and commerce, friendship and family—it is an epic coming-of-age tale about love, consequences, bravery, and fighting for one’s place in an ever-changing world.
