Thong on Fire: An Urban Erotic Tale - Noire - Google Books
Thong on fire was by far her best book which is hard to believe because the other ones were so good. I had a soft spot for saucy considering how she was brought up. You couldn't tell her that she wasn't the finest chick that every man or woman wanted.

What would have made Thong on Fire better? The narrator was horrible! She was so dry I couldn't even enjoy the book. If you've listened to books by Noire before, how does this one compare? The style of the book was the usual. I love all the Noire books. Saucy was a mess. I loved it drama to the fullest.
