Silver Flame is book 3 in the Vampire Girl series. This was not my favorite of this series. In fact, it was my least favorite. This book felt choppy and disjointed. There was a whole lot of things happening and it jumped around a lot. I am still interested in continuing the series to find out what happens next.

What's worse is that I'm a highly respected librarian in Las Vegas, not some drunken tourist. That would all be bad enough... until I find out the worst part. I've been turned into a vampire, and some other really evil vampires want me dead. I guess the honeymoon will have to wait. If we even stay married.
